

distant voice: You dogs, how about cleaning up your mess!  
Raven: Would rather play Cat Ball... Say Indi, do ya wanna play.  
Indi: sure, lets go and ask Marvel, Heidi and Shylo if they want to play.

Raven: Hey Shylo! come play cat ball with us!  
Shylo: Yeah OK, Don't suppose you can see where the hose is.

Indi: Hey! Heidi ... my Queen .. What ya doin?

Heidi thinking: (Oh, what do they want now)

Indi: Wanna play cat ball with us

Raven: Pleeeeeeeeaaase.

Shylo: C'mon mum, Lets show these young ones how its done.

Indi: Marvel, do ya wanna play Cat Ball.

Marvel: Naa... I just gotta finish the watering then have a bath, all this gardening has made me filthy dirty

#### THE TOSS

Raven: Damn, what happened to the head??

Shylo, not distracted by the decapitated ball, looks like she will win the toss...

### THE TOSS

Oh this is exciting! Heidi appeared from no where taking the cat ball, shylo narrowly misses out with Raven hot on Heidi's tai..

### THE Game

Look at that! the younger Raven has caught up with Heidi and is attempting to steal the ball....

Oh My! This is getting out of hand, Indi and Shylo have joined in .. Raven has had enough and has given up the cat ball.

TIME FOR A RETOSS

YES! Shylo is going to win the TOSS, Just look at her Style and athleticism

**TIME FOR A RETOSS**  
Photographed from a different angle,.. THE  
CATCH, oh what style Shylo, what a catch.

Shylo may not have the catball for long...Raven, Heidi and Indi are hot on her tail..

They have caught up with her, but OH NO, where is the catball... Where has it gone.

Shylo: Hey get off me, I don't have the catball.

Oh No, Tension is building up between Shylo and Raven,  
Raven: Where did you put the catball???

A photograph of two black and tan dogs, likely pit bulls, in a grassy field. One dog is standing on its hind legs, and the other is jumping high to tackle it from behind. The dogs are in a dynamic, high-action pose. The background shows a wire fence and some trees.

And Raven delivers a blow during a high tackle on Shylo...  
BUT WHERE IS THE CATBALL

The Captain "Heidi" orders Raven to stand back and Shylo makes a break for it... She knows where the catball is!

Oh what a cheat, Shylo hid the catball in a tree!

Shylo retrieves the ball, but doesn't see Indi approaching fast.

Shylo loses the Ball as Indi Intercepts

Looks like this game is coming to a close as the catball disintegrates

And everyone wins

After some much needed cooling off..  
Raven: That Shylo is a cheat  
Indi: yeah, but it was fun.
